STRUCTURAL STABILITY CERTIFICATE

It is certified that the structural design of the school building owned by Saupin's School, Site no 14, Sector 32 A, Chandigarh has been physically inspected by undersigned to ascertain the structural stability of the school's building.

However, the school does not have structural drawings with them. It is certified that the super structure of the building is RCC frame structure. The size of the columns and beams is adequate and have been observed in excellent condition.

It is further certified that the structure of school building is safe and sound.
